RADIATION POISONING

- **25 chlorella 10 min before meal**
- **1 pd seasalt and 1 pd baking soda in bath after acute exposure and each week. Soak for 30-40 minutes.**
- **1/2 cup Clorox in hot sitzbath for 20 minutes.**
- **For heavy exposure mix 1 tsp seasalt and 1 tsp baking soda in 1 quart of water - drink 1 cup every hour decreasing it to every 2 hours etc. as symptoms dissipate. Calcium lactate should be added to this protocol twice daily if possible.**
- **To neutralize food: 1/2 tsp baking soda to 1 gallon water to cleanse foods of radiation**
- **Best tea for radiation: willow leaf tea**
- **Some like to combine: 2 cups seasalt, 2 cups baking soda, 1 cup borax (mule team) – add to bathwater and soak for at least 20 min.**
